**Subject: TRTA No 9552-GEO: Preparing the North-South Corridor (Kvesheti-Kobi)
Road Project–Khada Valley Development Plan**

Dear Mr. Menabde,

We would like to inform you that under the Transaction Technical Assistance (TRTA) 9552-GEO: Preparing the North-South Corridor (Kvesheti-Kobi) Road Project, the Asian Development Bank (ADB) signed an agreement with the consulting firm BAUdesign on 8th of April 2022 to prepare the Khada Valley Development Plan (KVDP) as defined by Article 40 of the Code of Spatial Planning, Architectural and Construction activities of Georgia.

ADB approved on 30 May 2023 a minor change in implementation arrangements adding the Ministry of Economy and Sustainable Development of Georgia and the Spatial and Urban Development Agency LEPL as TRTA executing and implementing agencies respectively.

With this letter, we would like to grant the KVDP documentation including the survey report and concept proposal prepared by BAUdesign for your review and further processing following the requirements of the Georgian legislation. The draft KVDP will be finalized based on your comments and resubmitted for final review and approval in line with the requirements of the Georgian legislation.

We look forward to continuing our close collaboration.

Sincerely,

Kamel Bouhmad
Officer-in-Charge
